5	Electric Guitar DI	Edoardo
6	Backing Track L	
7	Backing Track R	
8	Electronic Kick DI or Acoustic Kick Mic	Yuri (trio only)
9	Drum Pad L DI	Yuri (trio only)
10	Drum Pad R DI	Yuri (trio only)
11	Snare Mic	Yuri (trio only)
12	Overhead / Cymbal L	Yuri (trio only)
13	Overhead / Cymbal R	Yuri (trio only)
14	Tom Mic	optional if available

Organizer requirements

- Quality PA system appropriate to the venue size.
- 2 vocal microphones with stands.
- Volterra brings their own DI boxes for bass, acoustic guitar, electric guitar, and playback L/R.
- For trio shows: please provide additional DI boxes for electronic kick and electronic drum pad L/R.
- For trio shows: preferred drum mics are snare + overhead/cymbal L + overhead/cymbal R; tom mic appreciated if available.
- 230V power outlets on stage: 1 by Rocky, 3 by Edoardo, 2 by drums.
- Safe and stable stage.
- Adequate backstage / prep area when possible.
- Setup can be adapted to the venue's technical possibilities.

Contact

Edo +39 3209665383 (whatsapp) or +1 4044250848 (US)
Rocky +1 8086343663 (whatsapp & US)

Drums, trio shows only: compact hybrid kit consisting of snare, 1 tom, hi-hat, 2 cymbals, acoustic kick or electronic kick (alternative), and electronic drum pad with L/R outputs. In small rooms drums may be partly or fully unmic'd at FOH discretion. Volterra carries their own mic stands, drum mics, cables, extension cords, power strips, and DI boxes for Rocky & Edo.
